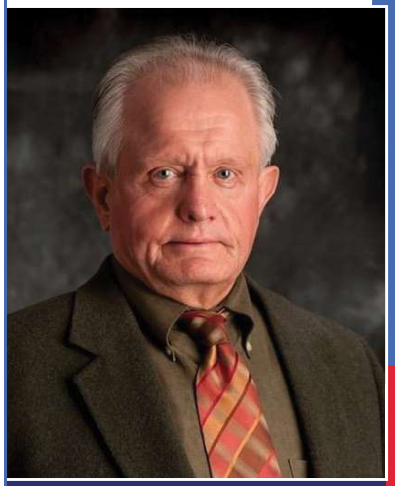
THIS



3RD TROY'S HONORARY INTERN SOCIAL

Network | Eat | Explore | Learn

TROY PEOPLES was a pioneer in almost every facet of traffic engineering in North Carolina. He spent over 33 years with NCDOT followed by an additional 15 years in consulting. Troy had a passion for traffic engineering, ITE, and mentoring younger engineers.

THIS event is to honor all he has done for the industry and to continue mentoring and encouraging future engineers.
