**Stantec Consulting**  
**Raleigh, NC**

- Contact Information:** Ryan.white@stantec.com  
919-601-1325
- Educational Background:**
- BS in Civil Engineering (NC State University)
- Work Background:**
- 4 years as a US Army Engineer Officer
  - 10 years with NCDOT as a transportation engineer
  - 7 years as a senior transportation engineer with Stantec
- Career Volunteer Background:**
- Garner Road Community Center Teen Achievers Program
  - Longview Alternative School
- What's different about me:**
- I've known I wanted to be a Civil Engineer since I was in the fifth grade
  - I am a product of mentorship – the relationships that I made through being mentored opened doors of opportunity that my GPA could not
  - The foundation for my leadership style is rooted in the contrasts of being raised by a Sergeant in the US Army and then actually being an Officer in the US Army
  - My career path has forced me to transition from being introverted to being extroverted and engaging
- What I can offer to a Protégé:**
- Perspective on being mentored by a diverse group of individuals
  - Insight on the importance of balancing technical skills with being extremely personable
- I attribute my success to the following:**
- A love affair with infrastructure---I truly love being a Civil Engineer
  - Being humble and open to constructive criticism
  - Recognizing the need to be better
- Other Passions/Hobbies/Interests:**
- Cycling (I rode 5,000 miles in 2020)
  - Trains
