

NCSITE Mentoring Program

Mentor Resume:

Stacie Phillips, PE in NC and SC
Kimley-Horn
Raleigh, NC

- Contact Information:** stacie.phillips@kimley-horn.com
919-653-2957
- Educational Background:**
- BS in Civil Engineering (NC State)
 - MS in Civil Engineering (NC State)
- Work Background:**
- 16 years of experience in transportation engineering with Kimley-Horn, currently a Senior Project Manager
- Career Volunteer Background:**
- NCSITE Section Director, Secretary, Vice President, President, Past President, SDITE Section Rep; TRB Signal Systems Committee Member, Multimodal Subcommittee Chair
- What's different about me:**
- I work for all of the various client types (NCDOT, municipal, developer, etc) all of the time and enjoy having a wide variety of project sizes going on at any given time.
- What I can offer to a Protégé:**
- I can provide a lot of different perspectives on our profession and how we can tackle challenges. I try to stay on the forefront of the latest research through TRB but also have a pulse on the state of the practice in NC through NCSITE.
- I attribute my success to the following:**
- A desire to build lasting, meaningful relationships and to build a team that can make a real difference in the industry
- Other Passions/Hobbies/Interests:**
- Hiking, rock climbing, travel, NC State sports
