

## NCSITE Mentoring Program

### Mentor Resume:

**Will Letchworth, PE (NC, HI)**

**WSP**

**Raleigh, NC**

- Contact Information:** Will.letchworth@wsp.com  
919-805-4900
- Educational Background:**
- BS and MS in Civil Engineering (North Carolina State University)
- Work Background:**
- 17 years of experience in transportation planning and traffic engineering in North Carolina, the last 5 of which have been with WSP.
  - I currently serve as Carolinas Area Manager responsible for business development and operations in North and South Carolina for a wide variety of public and private clients.
- Career Volunteer Background:**
- I currently serve as the following: NCSU CCEE Industry Advisory Board Member, Professional Engineers of North Carolina Political Action Committee Trustee, Regional Transportation Alliance Meetings Chair, Johnston County Planning Board Vice Chair, Zebulon Baptist Church Administrative Deacon
- What's different about me:**
- I am a native North Carolinian (that seems to be getting rarer).
  - I have spent my entire career in consulting (other than a few years of internships).
  - I thoroughly enjoy the business and political side of consulting. I know a little bit about a lot of things but am not really an expert in any one area.
  - I have also owned my own land development firm, and am a licensed pilot and scuba diver.
- What I can offer to a Protégé:**
- The perspective of someone who is in the middle of their career and someone whose career has quickly moved from a technical to a business focus.
  - An understanding of how many various pieces need to come together to move a transportation project from idea to reality and of the wide variety of career paths that are available to those in the transportation profession.
- I attribute my success to the following:**
- An amazing network of mentors who have helped and continue to help me along the way, active participation in a variety of professional organizations, always being willing to take on any challenge, focusing on strong communication skills, being optimistic, focusing on the success of others, and being surrounded by a great team.
